Notes:

Would like to create "change" boxes throughout town to contribute to fuel expenses for St. Helen Snowpackers Grooming efforts.

Willing to assist with Heroes Run in October if the visiting group needs us.

Beginning discussions of end of summer trail clean-up event. Will contact DNR about dumpster. As back-up S&S Powersports and Scotteez Apparel offered dumpster space.

Tom will contact Mike Hussey regarding Labor Day Weekend ride about leading. Pointed out that John Sutter would make arrangements for small dinner at the park after ride. Scotteez Apparel will donate up to 100 shirts for participants.

Plan to get details out regarding Labor Day Weekend ride by 8-23.

Mark Sheffield informed us that Scott Deon is who we should contact regarding Heroe's Run in October.
